

EPY Supporting Interest Areas

- Choose 6 courses from the list provided for your area of supporting interest (one of the blocks on this sheet). At least half of these must be 3000 level courses or above.
- Take note of the prerequisites for each course. Some courses may require instructor permission. It is recommended to begin planning early to ensure that you graduate at your expected time.
- Note: A supporting interest area is NOT an official minor on your transcript. See minor option.
